The Council hereby CERTIFIES that on 28 August 2025 the operation described in the First Schedule to this certificate in respect of the land specified in the Second Schedule to this certificate and edged **BLUE** on the plan attached to this certificate, would be lawful within the meaning of Section 192 of the Town and Country Planning Act 1990 (as amended), for the following reason(s):

Notes

1. This certificate is issued solely for the purposes of Section 192 of the Town and Country Planning Act, 1990 as amended.
2. It certifies that the use/operation/matter specified in the First Schedule taking place on the land described in the Second Schedule would have been lawful on the specified date and thus was not liable to enforcement action under Section 172 of the 1990 Act on that date.
3. This certificate applies only to the extent of the use/operations/matter described in the First Schedule and to the land specified in the Second Schedule and identified on the attached plan. Any use/operations/matter which is materially different from that described or which relates to other land may render the owner or occupier liable to enforcement action.
4. The effect of the certificate is also qualified by the proviso in Section 192 (4) of the 1990 Act as amended which states that the lawfulness of the described use or operation is only conclusively presumed where there has been no material change before the use is instituted or the operations begun, in any of the matters relevant to determining such lawfulness.

We enclose our decision notice in respect of the application you recently submitted to us.

You should read the notice carefully. It is your responsibility to ensure that you comply with the terms of any conditions which are attached to it. Where conditions require you to submit further information to us you will need to pay a fee and submit a separate application. The notice doesn't convey or grant consent for anything other than the application you made under the terms of the Town and Country Planning Act 1990.

If you are aggrieved by our decision to refuse planning permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State. For planning and related applications this is covered under section 78 of the Town and Country Planning Act 1990 (as amended). For listed building consent applications, this is covered under Section 20 of Planning (Listed Buildings and Conservation Areas) Act 1990 (as amended). For advertisement consent applications, this is covered under The Town and Country Planning (Control of Advertisements) (England) Regulations 2007 (as amended). You must submit your appeal within:

- 12 weeks of the date of this notice in the case of householder applications
- 8 weeks of the date of this notice for advertisement applications or
- 6 months of the date of this notice in all other cases

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. [Further details are on GOV.UK.](#)

Appeals can be made online at <https://www.gov.uk/planning-inspectorate>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on 03034445000. The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

Purchase Notices

If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
